

## **Terms and Conditions:**

This is a receipt for your property. Your property is insured for loss or damage while in our possession. For items under 70 lbs shipping will be handled by UPS Stores and UPS Authorized Shipping Outlets, USPS, and Excess Value Insurance will be purchased to protect the property in case of loss or damage. The buyer is responsible for making a claim with the insurance company if the property is lost or damaged during shipping. For items over 70 lbs arrangements will be made for pickup by the buyer or shipment by means other than UPS.

ProSellers offers no guarantee that the property will sell on eBay. If an item does not sell after a 7-day (typical) auction, ProSellers will re-list it for another auction. Almost all items will sell by then. If not, you will have the option of picking it up at ProSellers' office, or allowing ProSellers to return it at a mutually convenient time.

It is the seller's responsibility to accurately represent to ProSellers the condition and authenticity of the property. ProSellers will rely on the seller's representation of the property for its eBay presentation. ProSellers makes no representation as to the condition and authenticity of the property. Seller agrees to indemnify ProSellers, its owners, heirs and assigns from any liability in connection with the seller's misrepresentation of the property's condition or authenticity. ProSellers shall not be responsible for the costs in shipping to the seller property returned by a purchaser.

See our website for commission rates and fees.

ProSellers takes no responsibility for the winning auction bid price of the property. Seller hereby authorizes the sale of the property at the winning bid price. The sale of an item on eBay is a binding contract between the buyer and seller, therefore ProSellers is obligated to complete the sale at the winning bid price.

You have the option to receive payment by PayPal or check. The auction process, including collection and shipping, can take 4-6 weeks. Your payment will be sent shortly thereafter.

ProSellers is a division of:
